

## **Performance Standards**

The Children's Chorus participates in the Sunday morning service four times each year. Performances include three morning services and one Christmas musical.

### **Regular Performances**

Children should arrive and be ready to start rehearsal at 8:30am. All Children will check-in in Christiansen and will be in the care of the Children's Chorus from the time they are dropped off until after they sing in the service. After singing, the children will be dismissed to a designated room for a snack. Parents are encouraged to leave the service after the chorus sings to check-out their child from the designated room. Once a child is checked-out, they are no longer in the care of the Children's Chorus.

Choristers are expected to follow a dress code for all performances unless otherwise designated.

Boys    White shirt (tucked in), black pants, black socks, and black shoes.

Girls    White shirt (tucked in), black pants or skirt (knee length or longer), black tights and black shoes.

### **Christmas Musical**

On the day of the performance, children should arrive in costume and/or be ready in costume to start rehearsal at 8:00am. All Children will check-in in Christiansen and will be in the care of the Children's Chorus from the time they are dropped off until after the service. After the service, parents may check-out their child from Christiansen.

Most years, choristers are expected to provide their own costume for the Christmas musical. Costumes and/or costume pieces can be stored in the choir room after the dress rehearsal until the performance.

### **2023-2024 Performance Dates**

November 19 – 8:30am
